**DECLARATION OF FACTS IN SUPPORT OF PETITION FOR
DUPLICATE LETTERS PATENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This declaration is made as to facts that are relied upon to establish the diligent search for recovery of the original Grant. This declaration is being made by the available person having first-hand knowledge of the facts recited therein.

I, Agnes F. Spence, do hereby declare:

1. That I am an employee of Applicant's attorney, Beyer Weaver & Thomas, LLP
2. That on or after October 25, 2006, patent copies but not the ribbon copy of the Letters Patent for the referenced patent were received in the Mountain View office by courier. Subsequently, I contact the Oakland office regarding the missing Letters Patent and was informed by our Docketing Department that the Letters Patent has not been received from our P.O. Box mail box (address of P.O. Box 70250, Oakland, CA 94612-0250).
3. A search of the Mountain View and Oakland office was performed but the ribbon copies of the Letters Patent was not found.
4. I contacted the Publication Branch of the United States Patent and Trademark Office on December 8, 2006 verifying the address of where the Letters Patent were mailed. I was notified that the Letters Patent were mailed on October 17, 2006.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
